## THE HIPPOCRATIC OATH

I swear by Apollo the physician and Aesculapius and health and all-heal and all the gods and goddesses that according to my ability and judgement I will keep this oath and this stipulation-to reckon him who taught me this art equally dear to me as my parents, to share my substance with him and relieve his necessities if required, to look upon his offspring in the same footing as my own brothers and to teach them this art if they shall wish to learn it without fee or stipulation and that by precept, lecture, and every other mode of instruction I will impart a knowledge of the art to my own sons and those of my teachers and to disciples bound by a stipulation and oath according to the law of medicine but to none others. I will follow that system of regimen which, according to my ability and judgement, I consider for the benefit of my patients, and abstain from whatever is deleterious and mischievous. I will give no deadly medicine to any one if asked nor suggest any such counsel, and in like manner I will not give to a woman a pessary to produce abortion. With purity and with holiness I will pass my life and practice my art. I will not cut persons laboring under the stone but will leave this to be done by men who are practitioners of this work. Into whatever houses I enter, I will go into them for the benefit of the sick and will abstain from every voluntary act of mischief and corruption, and further, from the seduction of females or males, of freemen and slaves. Whatever, in connection with my professional practice, or not in connection with it, I see or hear, in the life of men, which ought not to be spoken of abroad, I will not divulge as reckoning that all such should be kept secret. While I continue to keep this oath unviolated, may it be granted to me to enjoy life and the practice of the art, respected by all men, in all times, but should I trespass and violate this oath, may the reverse be my lot.

# SCHLUMBERGER COLLECTION

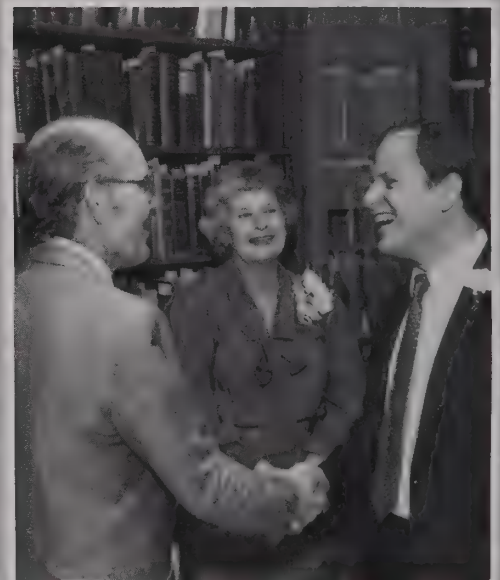

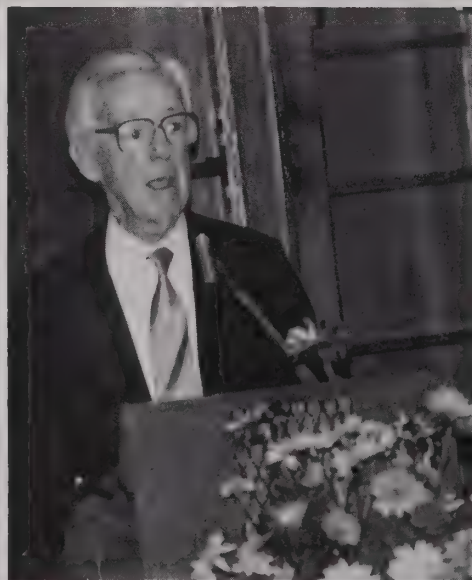

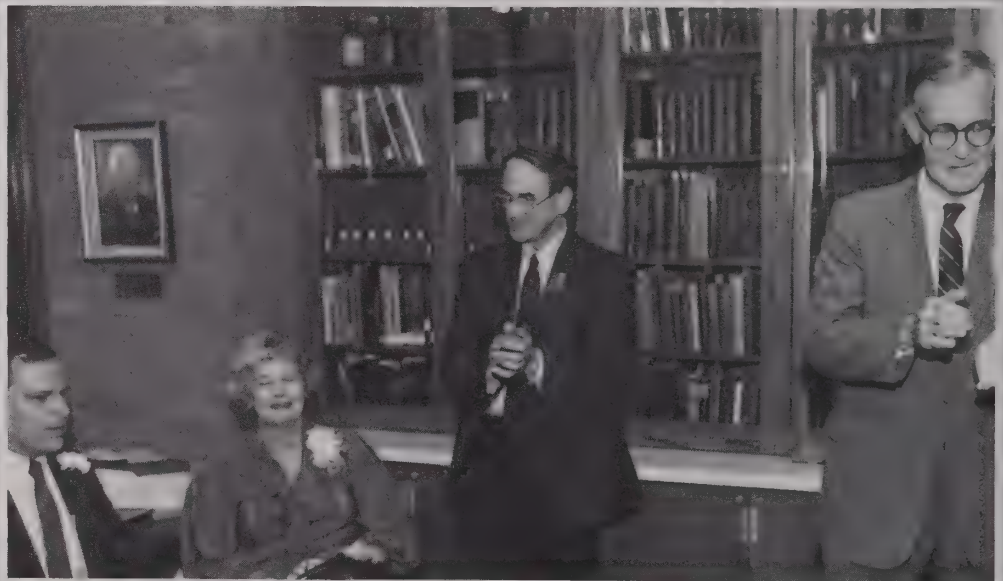

The Hans G. Schlumberger Collection of historical scientific/medical books was formally opened for public use at the University of Arkansas for Medical Sciences on Thursday, November 3, 1983.

A formal presentation of the 450-volume collection was made at 2 p.m. in the Robert Watson History of Medicine Room of the UAMS Library, and a reception followed in the Library Lobby. Charles Schlumberger of Washington D.C., son of the late Dr. Hans G. Schlumberger, and Mrs. Edd Turner of Kerrville, Texas, Dr. Schlumberger's widow, represented the Schlumberger family at the presentation. Dr. Harry P. Ward, UAMS Chancellor, accepted the collection on behalf of the campus. The family made two additions to the collection at the ceremony - a Holmes Microscope (ca1895) and an autographed photograph of Rudolf Virchow.

Hans Georg Schlumberger, M.D., was chairman of Pathology at UAMS from 1957 until 1961. Although his career was shortened by a tragic automobile accident that left him in a coma for more than seven years, he had, by the age of 46, done much to initiate and shape the growth of a new twig on the many-branched tree of cancer pathology.

Born in Hamberg, Germany, Dr. Schlumberger came to the United States at the age of three with his parents and spent his early years at Milwaukee. He received his bachelor's degree from the University of North Carolina and his medical degree from the University of Pennsylvania.

While Dr. Schlumberger was a pioneer in comparative oncology, this facet of his work developed secondarily from his activities as a practitioner, researcher and teacher in medical pathology.

# MEDICAL INSTITUTION NETWORK

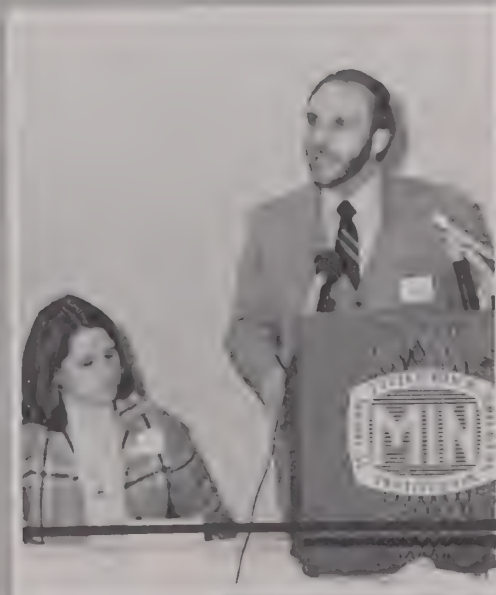

November 16, 1983 was celebrated by many area health care facilities as the official day for the launching of the new Medical Institute Network (MIN). Through the MIN, nine health care institutions are linked by cable TV on the Riverside cable system.

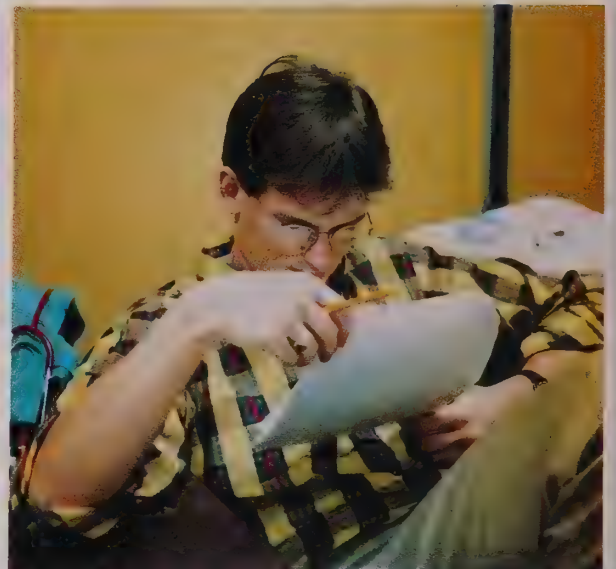

According to Dr. Kenneth Wagner, President of the MIN Board, "MIN is a non-profit corporation which represents a pioneering venture in professional health care education. The intent of the MIN is to share in live and taped programming activities incorporating educational and instructional programs for students and for medical, nursing, pharmacy, technical, and administrative staffs."

The first live satellite teleconference was shown on the MIN as part of the new program schedule. The MIN is on twelve hours daily. Programs produced by the Network for Continuing Medical Education and the Emory School of Medicine may be viewed for continuing education credits.

Institutions linked to the network are Arkansas Children's Hospital, Baptist Medical Center, The Central Arkansas Radiation Therapy Institute, Arkansas State Hospital, Doctors Hospital, University of Arkansas for Medical Sciences, St. Vincent Infirmary, and Arkansas Rehabilitation Institute. The New Veteran's Administration Medical Center will join the Network in early 1984.

# JOHN L. MCCLELLAND

The new Veterans Administration Hospital- John L. McClelland Memorial -will open in late May or early June. The Acute Care Hospital was put into the early planning stages in 1972 with Congress giving the permission to look into sites for acquisition and by 1980 the foundation and dedication were complete. Eight stories high, the hospital has a total of 760,000 square feet. The ground level will have no patient activity but will house the research and engineering areas. The first floor will be the Out-Patient Clinics, Patient Admitting, Pharmacy and Radiology while the second floor will be Operating rooms, S.I.C.U., and

Hospital Administration. The mechanical equipment, to run the hospital, will occupy the entire third floor while the fourth through seventh floors will be entirely patient care areas.

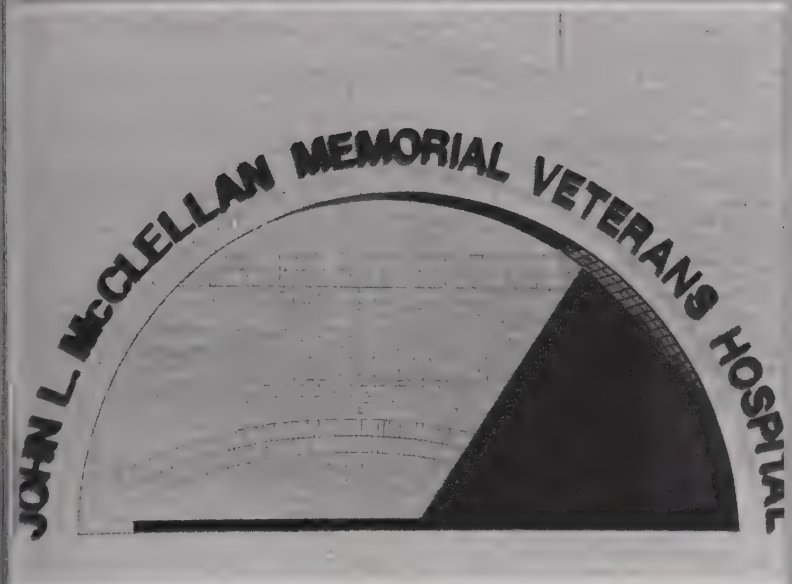

There will be a total of 505 beds to serve patients with satellite pharmacies located on floors four through seven. A new C.T. Scanner is an addition to the equipment which has not been available before.

As an interesting note, the electrical use per day in the new V.A. Hospital will be 16,000,000 watts --- enough to supply North Little Rock for one day.

# AHEC FORT SMITH

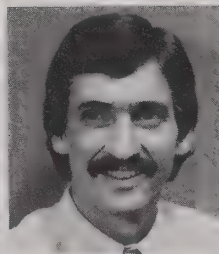

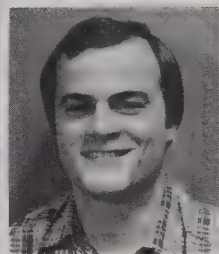

Annette V. Landrum, M.D.  
AHEC DIRECTOR

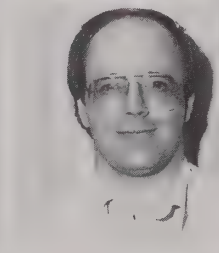

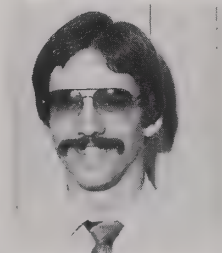

AHEC Fort Smith was established in 1974 and has developed many exemplary educational programs and experiences for the students over the past ten years. The excellence of these programs is due to the quality of the medical community and the two local affiliated medical centers: Sparks Regional Medical Center and St. Edward Mercy Medical Center. The three year Family Practice Residency Training Program is now in its ninth year of operation with 15 residents in training.

AHEC Pine Bluff was established in September, 1973, and since April, 1974, has developed successful educational programs for medical and nursing students and Family Practice Residents. The AHEC offices are located adjacent to Jefferson Regional Medical Center, a 471 bed facility with a medical staff of over 100 physicians. Medical and audiovisual libraries are located in the AHEC offices and are staffed by trained librarians. The AHEC Pine Bluff Family Practice Residency Program was established in 1977 and currently has 15 residents in training.

# AHEC SOUTH ARKANSAS

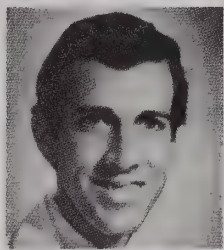

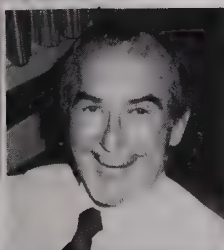

Established in November, 1973, AHEC South Arkansas at El Dorado affords students and residents the opportunity to participate in the health sciences as practiced in rural and suburban communities of South Arkansas. Continuing education for physicians and nurses is also emphasized. The facilities in Warner Brown Hospital and Union Memorial Medical Center are utilized in the training programs. AHEC South Arkansas' Family Practice Residency Programs is completing its fourth year of operation with ten residents.

The Northwest Arkansas AHEC at Fayetteville was established in November, 1974. AHEC Northwest provides elective rotations in most of the major medical specialty and subspecialty areas for senior medical students; rotations for fifth year nursing students, and continuing education for physicians, nurses, and other health related professionals. The Family Practice Residency Program established in 1975 currently has 12 residents in training

## AHEC SOUTHWEST

AHEC Southwest at Texarkana was established in August, 1975, with offices provided by St. Michael Hospital. The facilities of this hospital, as well as those of Wadley Hospital, are utilized for the AHEC educational programs. Over 40 community physicians serve as faculty for the medical and nursing students programs and preceptors for residents who rotate to Texarkana from the UAMS. AHEC Southwest's library facility offers excellent resource materials to health professionals throughout the area.

James B. Kittrell, M.D.  
AHEC Director

## AHEC NORTHEAST

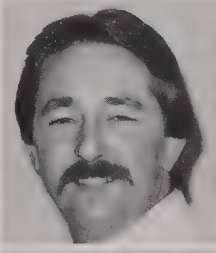

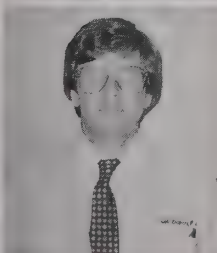

Michael Mackey, M.D.  
AHEC Director

Joe H. Stallings, M.D.  
Residency Co-Director

AHEC Northeast at Jonesboro was established in December, 1974, and offers educational programs to medical and nursing students as well as continuing educational programs to physicians and other health professionals in the area. The local medical facilities include St. Bernards Regional Medical Center and Methodist Hospital of Jonesboro, which are served by over 70 physicians. The area also benefits from a mental health center which has both in and outpatient services. The AHEC Northeast Family Practice Residency Program is in its fourth year and has 9 residents in training.

A black and white portrait of a man with dark, curly hair, smiling at the camera. He is wearing a light-colored, long-sleeved button-down shirt and a dark tie with a small, light-colored pattern. He is seated at a desk, and to his left, a lamp with a dark shade is visible. The background is a plain, light-colored wall.

Clockwise from top left: 1. Brad scans his text for a clue to the diagnosis. 2. "Beam me up, Scottie." 3. Dr. Peterson oversees another successful case. 4. Meanwhile, the Parkland

boys do what they do best—recover from the Dallas nightlife. 5. Rare shot of Talbert planning his social calendar. 6. "So I'm a little rusty at P.E.'s after taking three blocks of Radiology ..."

Clockwise from top right: 1. Alcoholic liver disease sets in earlier in some people than others. 2. The docs survey their patient list for the day. 3. Anne and Marcus find suitable training to perfect their skiing technique. 4. Bennett getting into his work at the E.R. 5. Terry and Cathy looking forward to future as F.P.

Clockwise from top left: 1. "great Dad, now that you've got beer drinking down I'll teach you how to pick up women." 2. Waldrip checks out backup job opportunities. . 3. Woody putting the move on yet another married woman. 4. Alcohol on state property-you must be mistaken.

Clockwise from top right: 1. "Your feet look worse than that Randy." 2. The Sunshine Girls. 3. The mighty sportsmen display their catch. 4. Kris, Gary and Kris show the meaning of a close friendship.

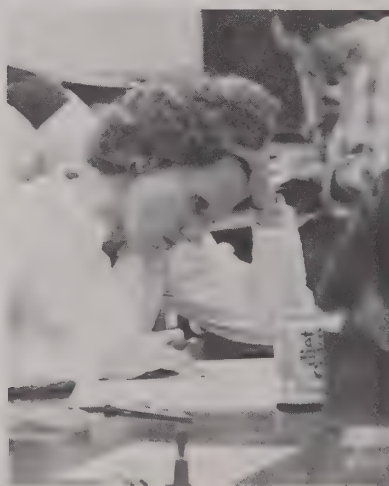

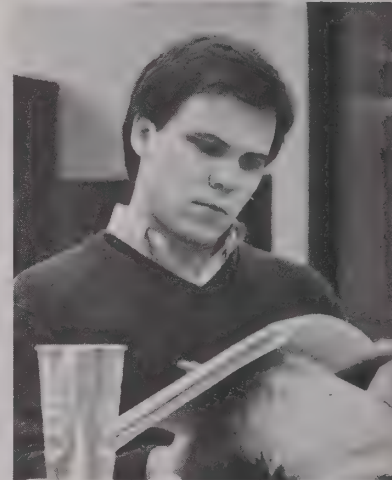

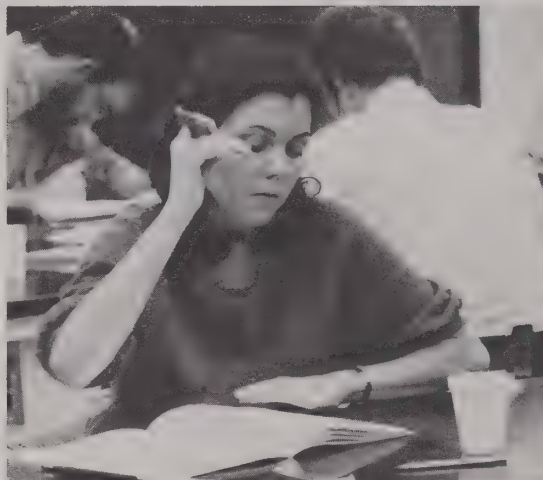

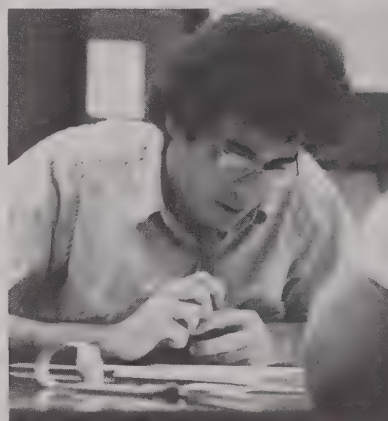

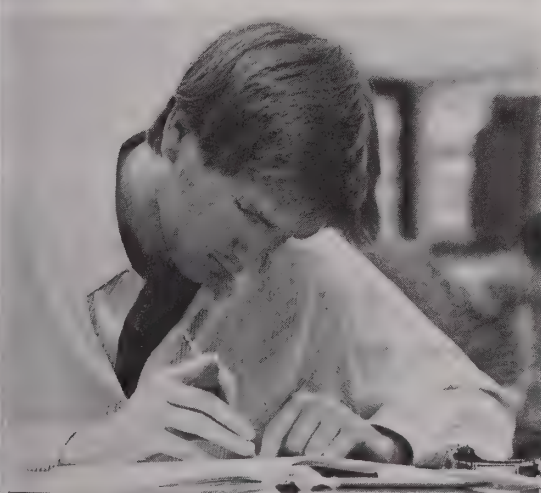

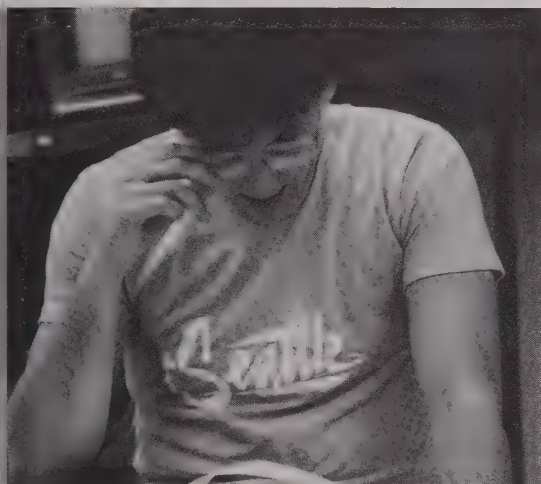

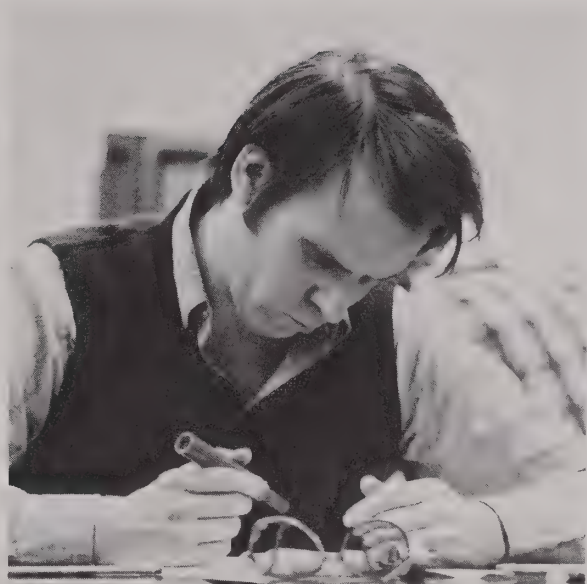

Clockwise from top left: 1. Scott makes use of some of his time off. 2. Denise reveals her better side. 3. What has this man been up to? 4. "Hello, I'm Dr. Duckworth, your surgeon, and- Sir, please get back on the table." 4. Jim and Cynthia paint the town-and their faces-at Mardi Gras.

Yeah, ten minutes and it's off to Peck's.

I like Path so much I could just puke.

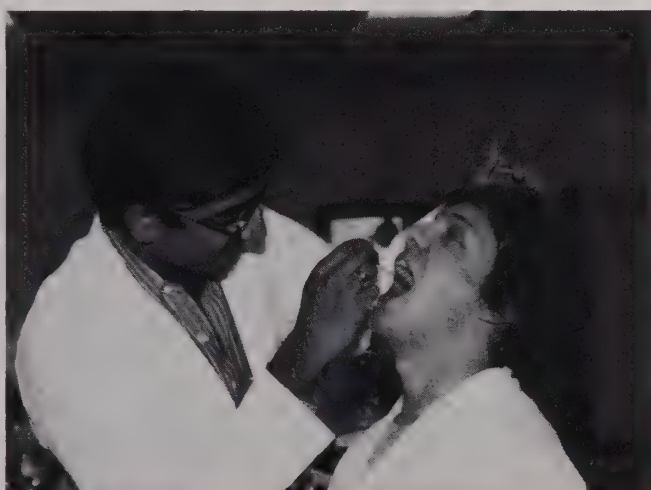

Linc grabs the tip ...

Randal sinks one but M2Y falls prey to the total domination of M2X.

Hugh-oh, looks like the bad juju. Do your teeth itch?

Todd Linda might believe that but I never will.

"You're gonna drink it just for the taste of it".

Susan, I don't think he has any film in it.

You won't believe what he's telling her.

Frye I can't believe you just told her that, it's my date even.

Wait, wait a minute, get my good side.

Gosh I don't know, it's not mine!

Do you know where the bathroom is?

Take that hat off or I'll shove this up your nose.

OK, but this is absolutely your last kiss.

The dance floor is this way, no wait, its this way,  
no, let's just sit here awhile.

Me with Bruce, are you kidding?

Randal, what are doing with that glass of water?

Gorden's lightheaded and Judy's  
"Akin"

Tell me I ain't a lady killer

Stand on your tip toes Charles

The new Playboy is out!

All over Campus!

Boy Jay, that's a big one.

I'm getting so tired of doing pelvics

Do you have trouble with . . . Constipation?

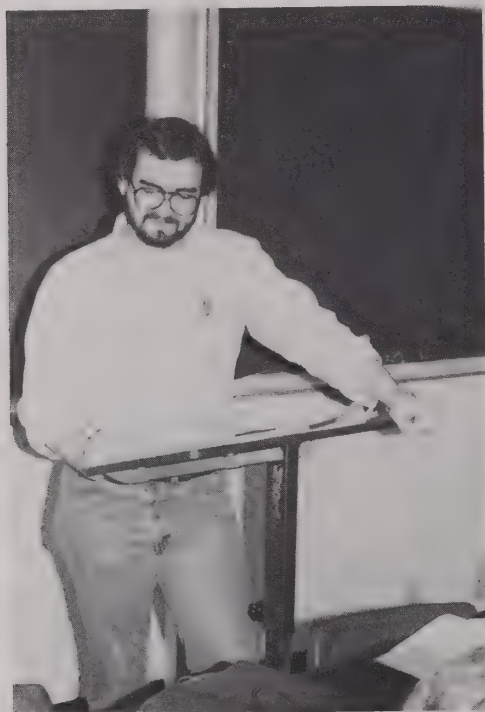

Uh yes, I believe there's a question there in the back

I'm appalled, if you believe that you're a fool!!

"This is the most common ..."

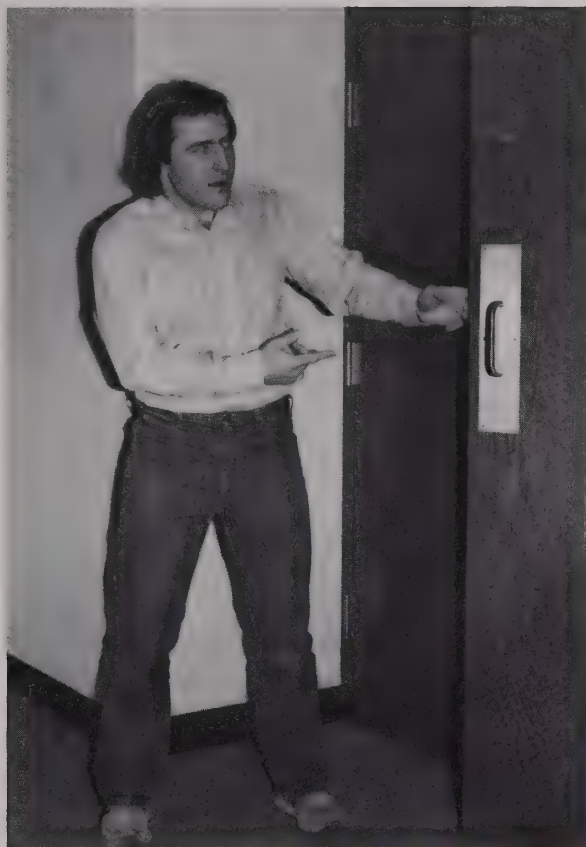

Pat and Stuart always were experts with underwear.

We know John, Mike bores us too

There is no one in class!

Yes there is, Clay's canning.

"We need your whole class to attend the guest lecture on Monday"

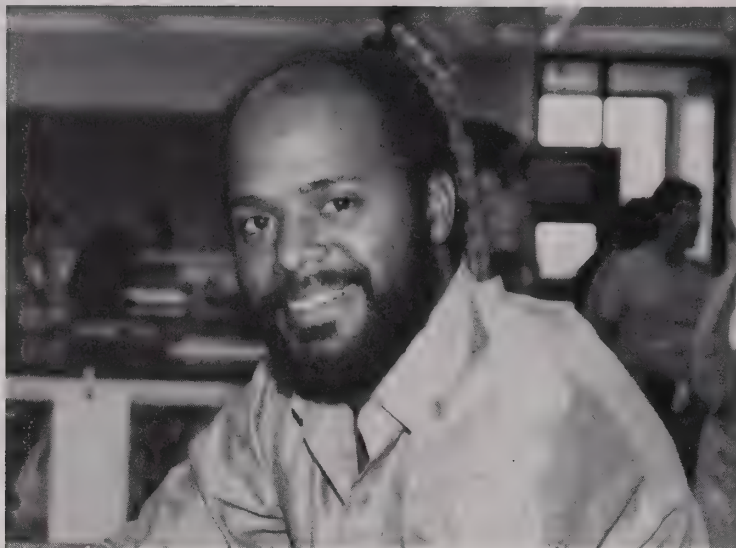

At least we all showed up for tests

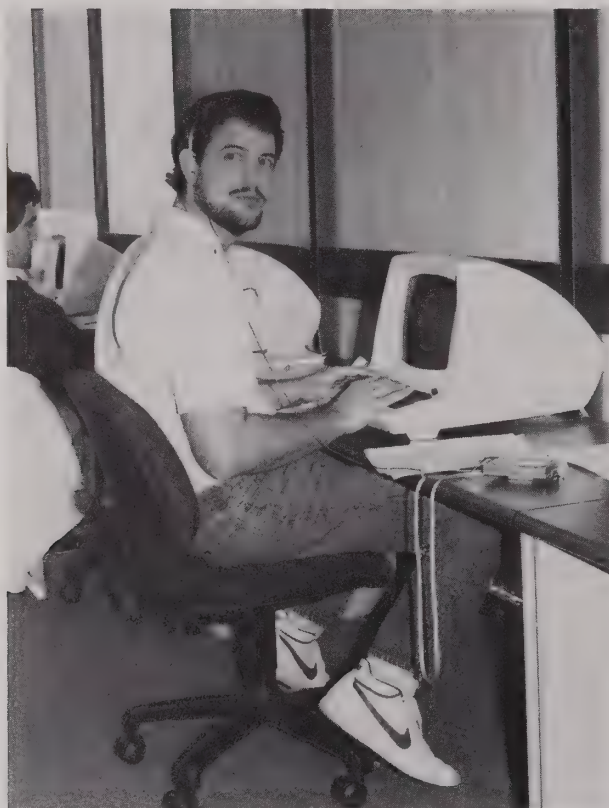

I bet these guys don't skip another conference

I'm going to cover three more cans and quit

Three hours to go and no more Path!

So I like to hear what I'm typing, alright

Hey Jim, you're drooling on your cans

Thank goodness, it's finally over!

# FRESHMAN

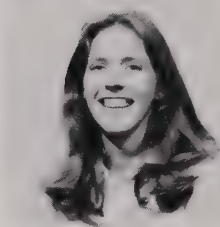

Paul Farris and Michael Wood learn two-man CPR at orientation.

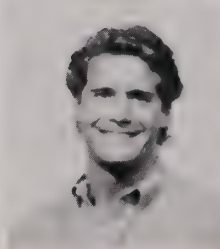

Jim H. Abraham

What Wayne doesn't know will not hurt him.

There is nothing quite like a good fart!

The two faces of Walt Morrison.

Let's go to a private weenie roast.

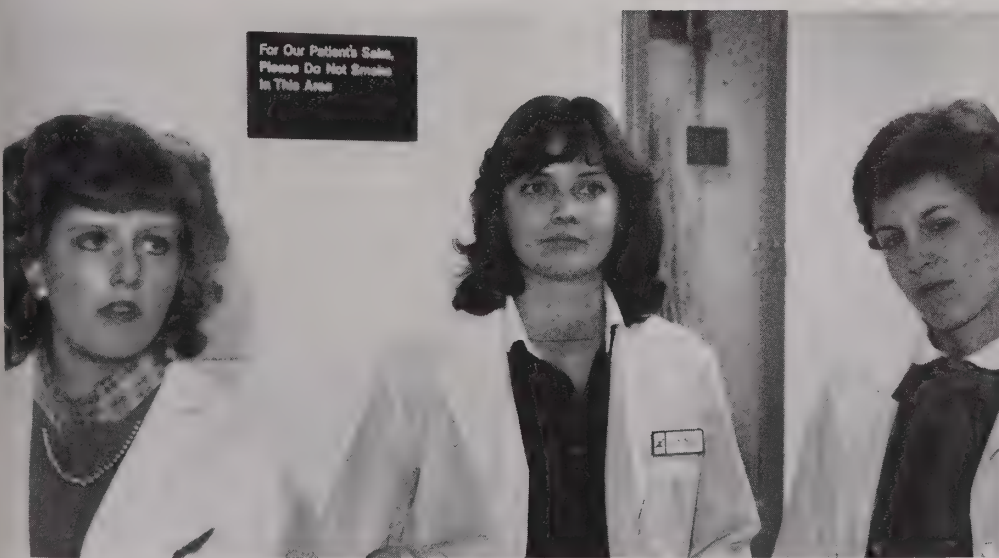

Ludiomil is really effective.

Zovirax test group.

Pharmacy School! Ba Humbug!

It feels so good!!!

Just the usual quick peck on the cheek for Kirk and Denise.

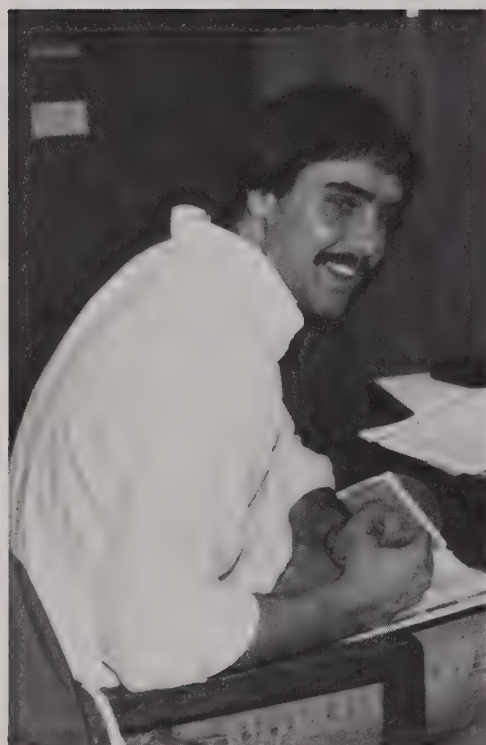

Girls ARE soft!

I'd walk a mile for an A in Biopharm.

Day-Dreaming

Peck's later Whitey?

Yes, Dr. Frankenstein.

Sure, I've been good.

My apartment is just over there.

It's ok, Ginger. The water is bacteriostatic.

What racing form?

What is the drug of choice for this condition?

To err is Steve, to forgive is Chuck.

We love to party!

Give me \$500 on Lucky Star in the fourth.

The beginning of Tony Mac's surprise.

Tony is just getting warmed up.

He's never enjoyed class so much.

By the way, what is the treatment of choice for histoplasmosis?

What time do you get off work? You said your first name is Jack?

Well, his other symptoms are diarrhea, fever, sore throat, CHD, IDDM, and acute decubitus ulcers.

Get control of those tardive dyskinesias!

This is incognito beer.

The Whale Joke.

Nobody can boogie like Pitts!

Gee, I wish I could get my hair to look like that!

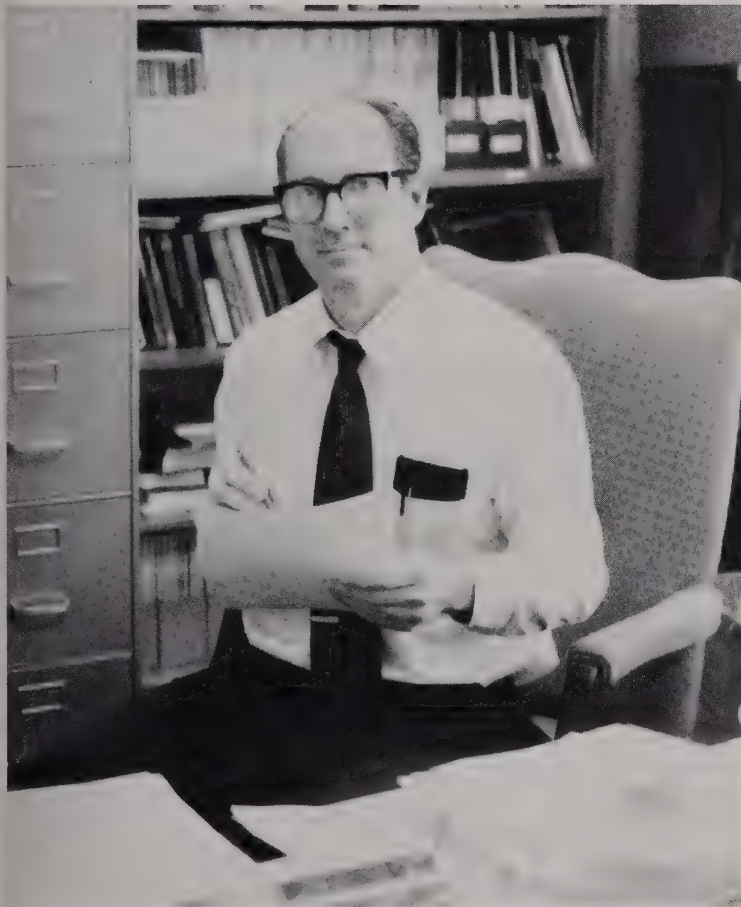

Ultra Brite commercial, take 2!

Move over, Mick Jagger!

Brucellosis and Belledonna

That is beyond the scope of this course.

Steve White came to class!

Clinical pharmacy in a retail setting.

This Bud's for you!

Yes, I am a fascinating person. Did you know  $\text{pH} = \text{pK}_a + \log \text{acid/base}$ ?

Does that bother you?

You see, Dr. Babington, I took a Benadryl this morning.

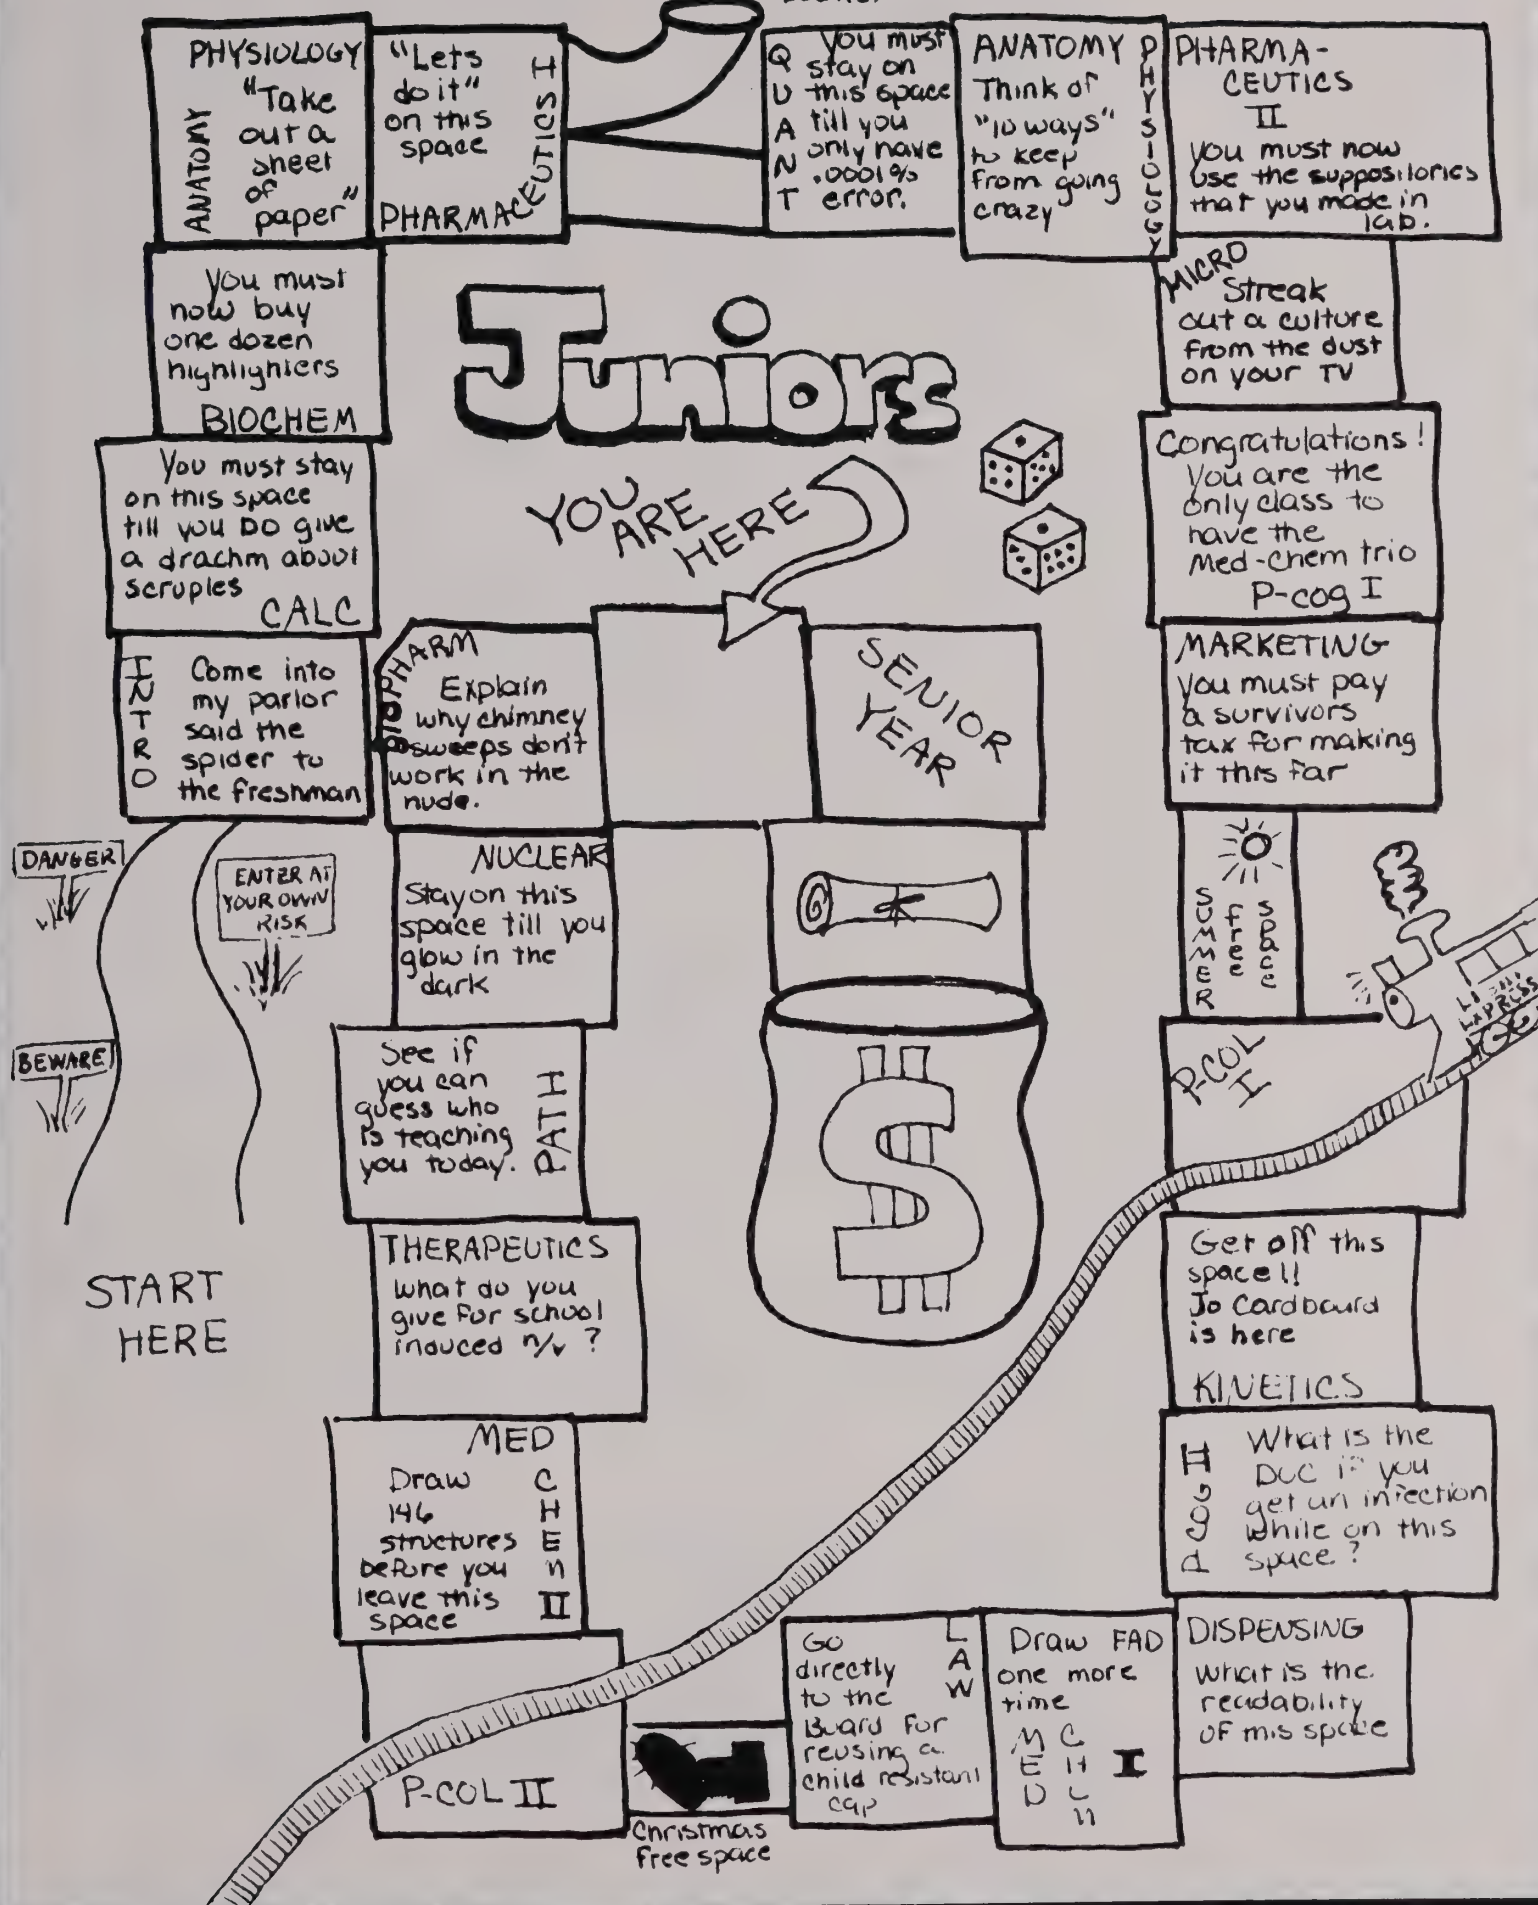

This Donnagel punch is really good!

# PHARMOPOLY

GOTCHA!! Go directly home.  
Do not pass to 2nd semester. Do not  
collect the money you spent on tuition and  
books.

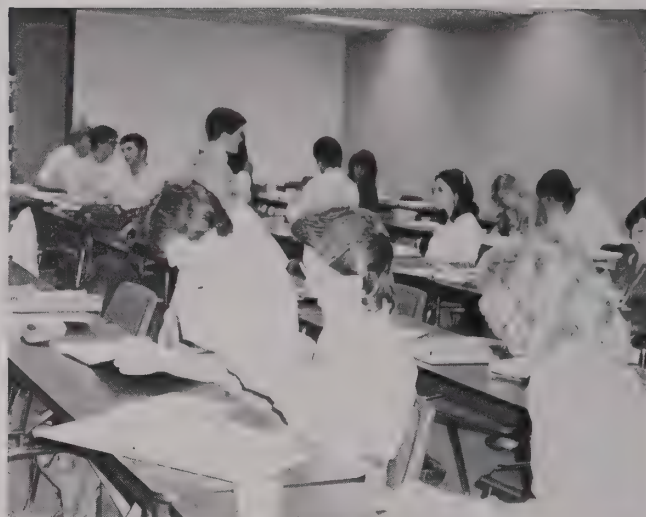

Susan Akin  
Michael Baker

Philip Baker  
Ronny Baker

Anxiously awaiting our next instructor.

Jeff Baltz

Was that ice cream good Laura?

Lonnie shows us what's in fashion this fall for late night studying in the library.

Gail Bollen  
Kelly Callan  
Charles Carnation  
Jacque Charles  
Sheila Collins

"The good, the bad and the ugly" You decide which is which.

What does that look mean, Bill?

Donna Curry  
Kirk Cybulski

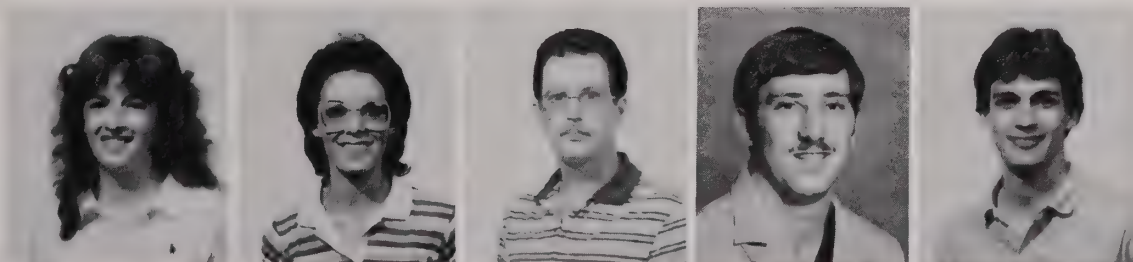

Kathy Darnell  
Tommy Davis

Brenda and Sue enjoy the afternoon off.

Jeff, Kim and Greg taking a break between classes.

James Vail

What an energetic bunch!

Mark, Chuck and Tami hope to sell their freshman books at the SAPHa booksale.

Brenda Ward  
Lynne Watterson  
Tami Whitley  
Chuck Williams  
Nancy Williams

# SPENDIN' TIME

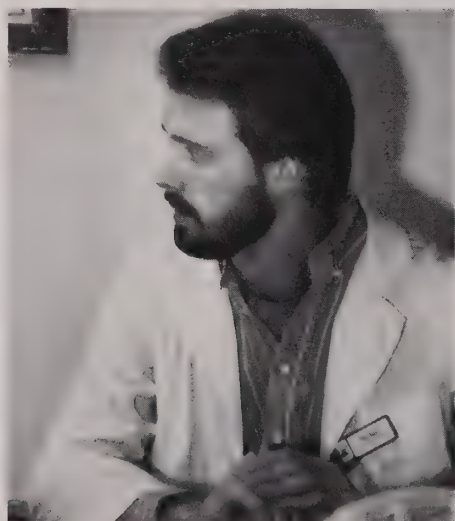

What do you mean by "home keys"?

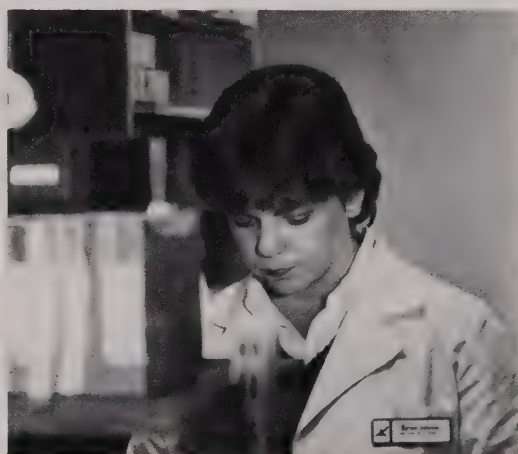

Sarah and Jennifer celebrate the end of finals.

It's a good disguise, but Mrs. Jordin would recognize that hair-do anywhere!

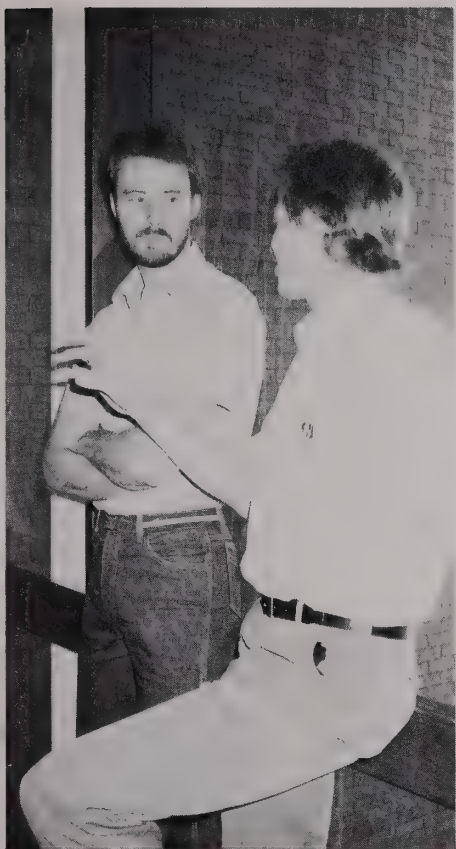

Are you sure you gave her the right phone number Phil?

Marian tries to unscramble the M.D.'s signature.

Doug explains in detail all about the structure activity relationship of the estrogen molecule.

Here's Kim and Krystal clowning around at the Halloween costume party held at Rick's Armory.

Dr. Breckenridge watches Kathy fill a prescription at the Ambulatory Care Center

Bottoms up!!!

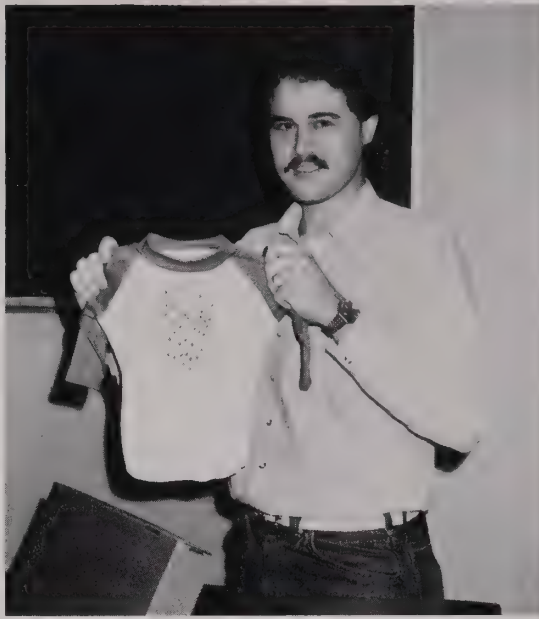

"No Lynne, Mitchell and I haven't set a wedding date yet."

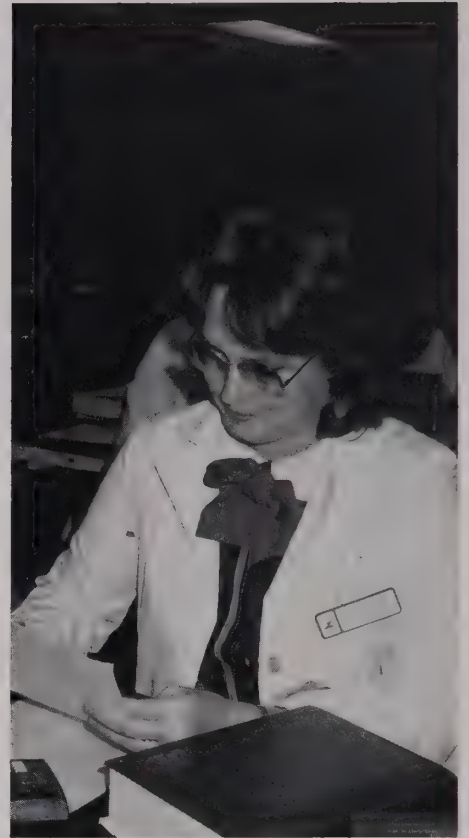

Tracy prepares a sterile solution for injection.

Even Rick's baby will be "Pharmaceutically Elegant".

Sharon scans the prescriptions for drug interactions.

Donna takes a short break from studying for a picture.

The ninth floor secretarial pool.

Class Officers: (Standing) Mark Shinabery, President; Doug Pringle, SAPHa Rep.; Phil Baker, ASG Rep.; Mark Porter, Treasurer; Jay Rainer, Vice-President. (Seated) Brenda Ward, Secretary; Sarah Schlesier, ASG Rep.

"Oooo, these Mars bars really have a kick to them."

Lynne says that one of the major side effects of the didactic lab is writers cramp.

Sorry to bother you Phil, I know you're anxious to get back to Goodman and Gilman.

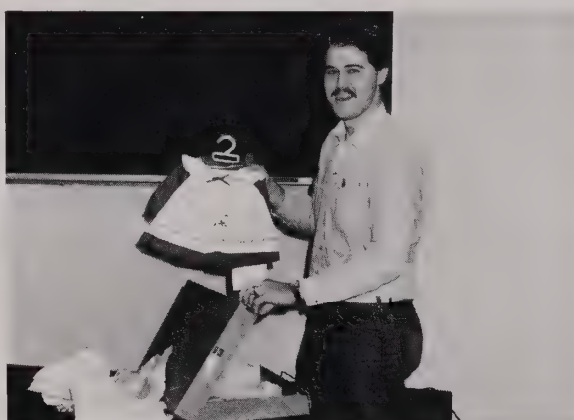

Now we can observe how the little pills roll down the chute and, "BOOM", into the vial.

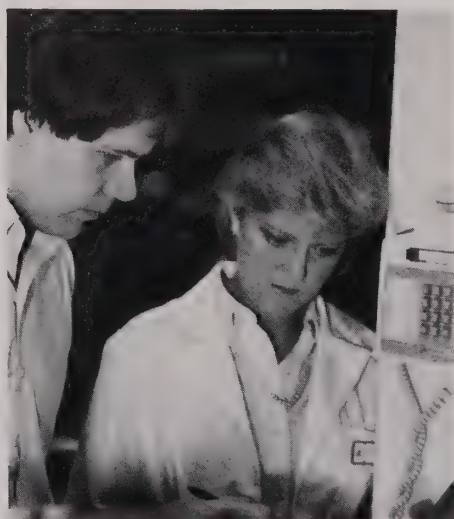

Vickie checks the elixir for its alcohol content.

Here is what is in store for all the stylish babies this year.

Kelly puts the final touches on a prescription before counseling the patient.

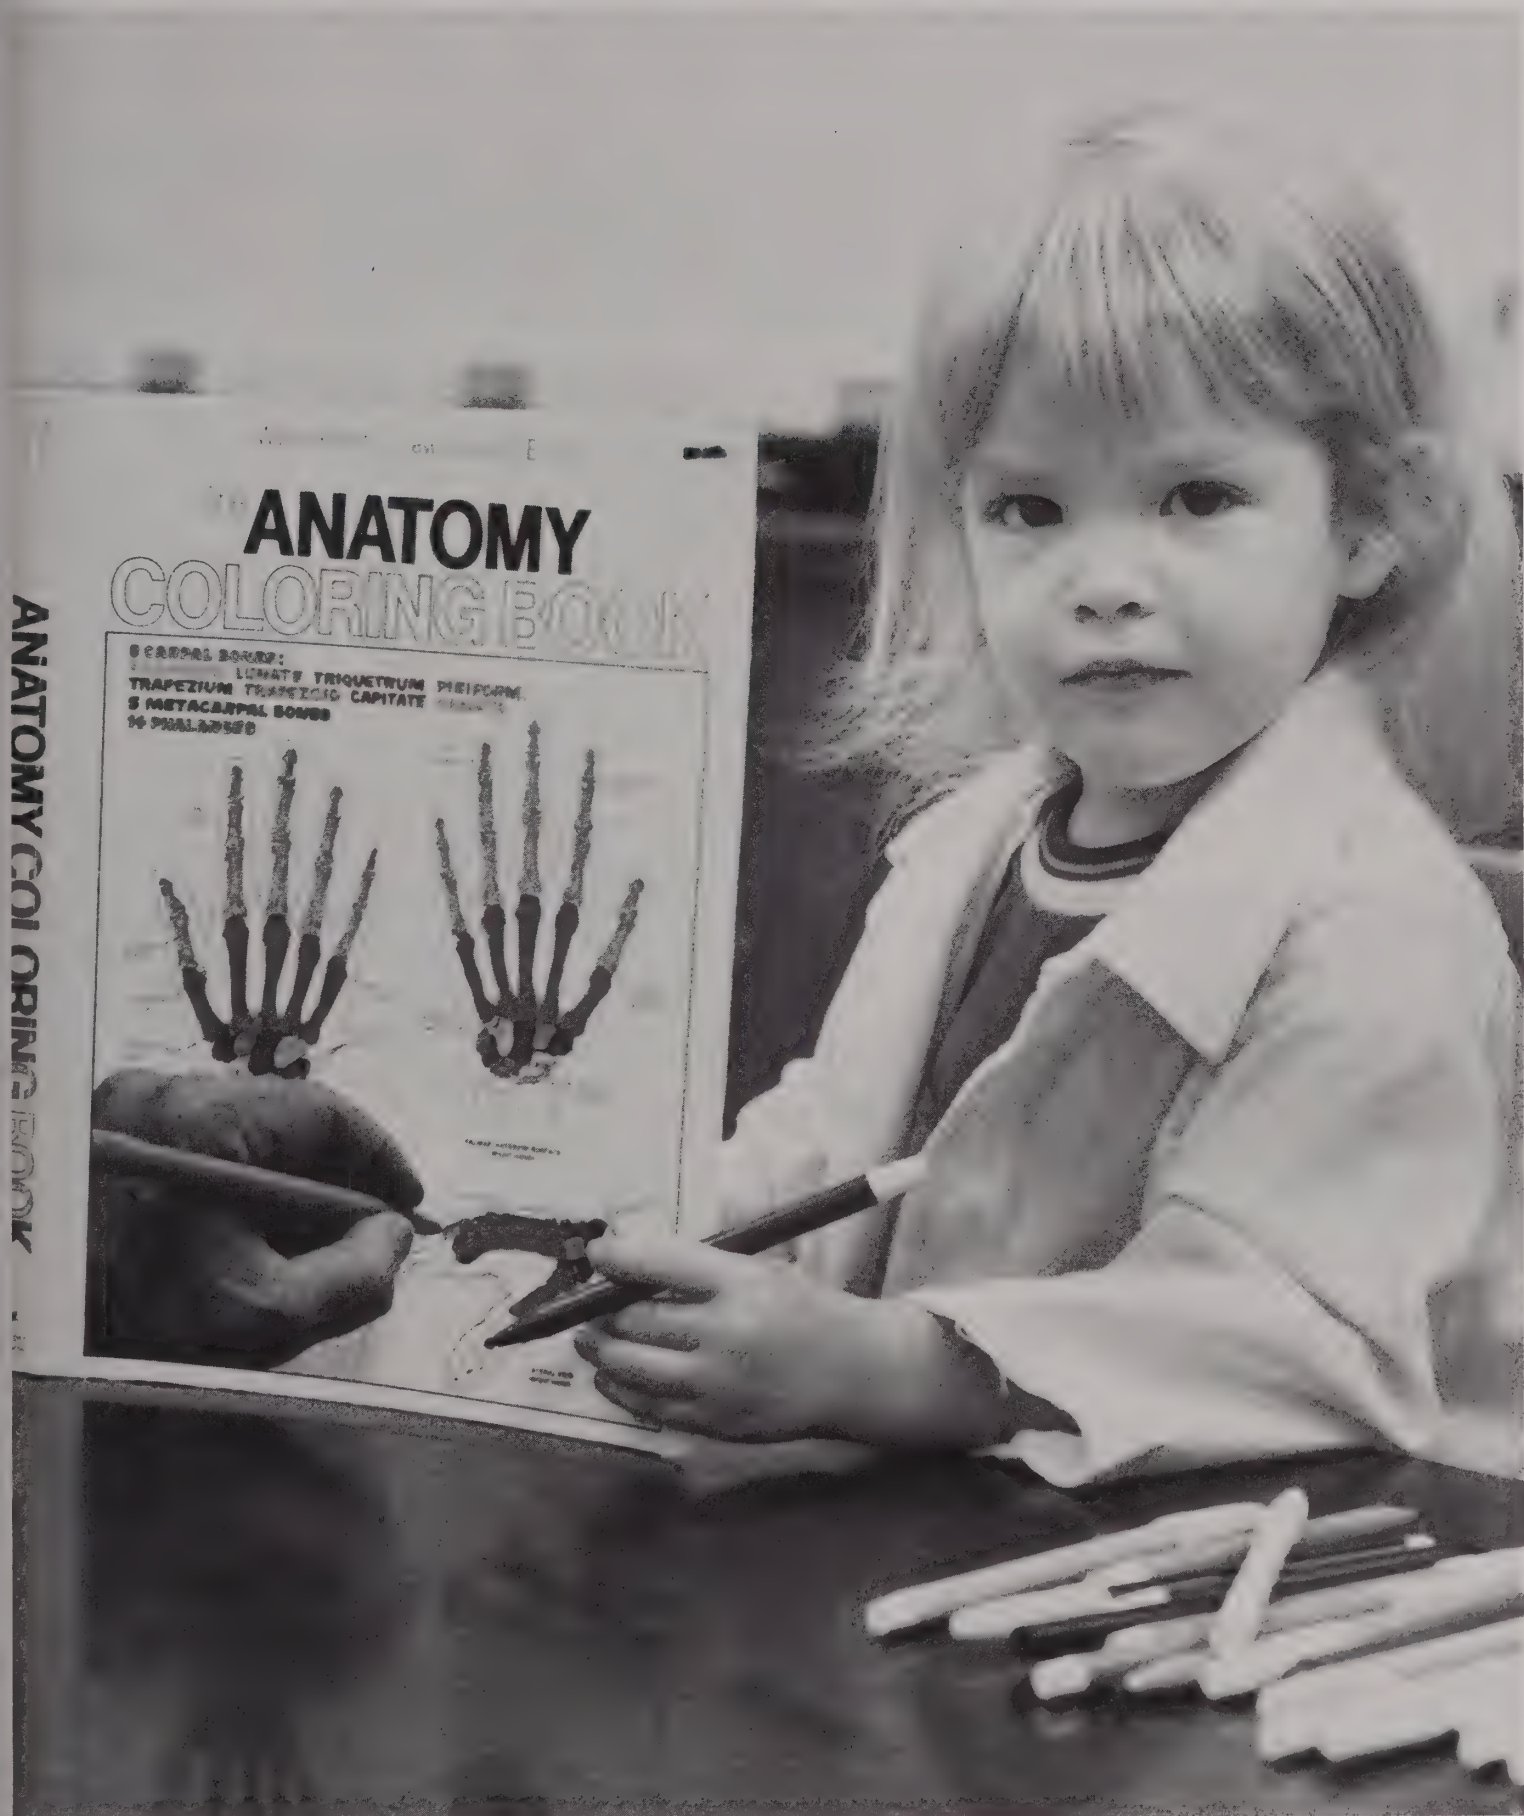

Kathy listens while Randy explains the pricing methods at the Out-patient pharmacy.

"You can make it with Play-Dough."

# COLLEGE OF NURSING

This page is dedicated to Dr. Virginia R. Jarratt, a native of Mooringsport, LA, who has been with the University of Arkansas Medical Sciences Campus since December 1, 1979 as dean and professor of the College of Nursing. She previously held the position of dean and professor at Harris College of Nursing, Texas Christian University in Fort Worth.

Dr. Jarratt was a 1943 diploma graduate of the John Sealy College of Nursing, Galveston Texas. She received her bachelors degree in nursing from the University of Texas in 1956. In 1959, she completed her masters degree in Nursing Administration at the University of Minnesota. Later, in 1967 she received her doctorate from the University of Texas College of Nursing.

Dr. Jarratt has held several positions with the National League for Nursing. She has served as Executive Committee Chairman of the Council of Baccalaureate and Higher Degree Programs and as a board member from 1975-77. She also served as Second Vice President from 1977-79. In 1981 she was elected President, and has held this office since.

Dr. Jarratt has received the following awards of honors: University of Texas Alumni Association Honors Award-1943 and 1956; Sigma Theta Tau, National Honor Society of Nursing-1959; Distinguished Alumni Award-University of Texas School of Nursing (system wide), 1976; American Academy of Nursing-1977; and the Outstanding Achievement Award-University of Minnesota-April 23, 1979.

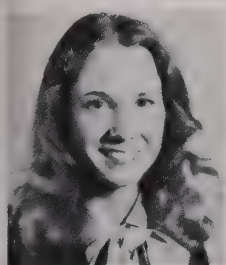

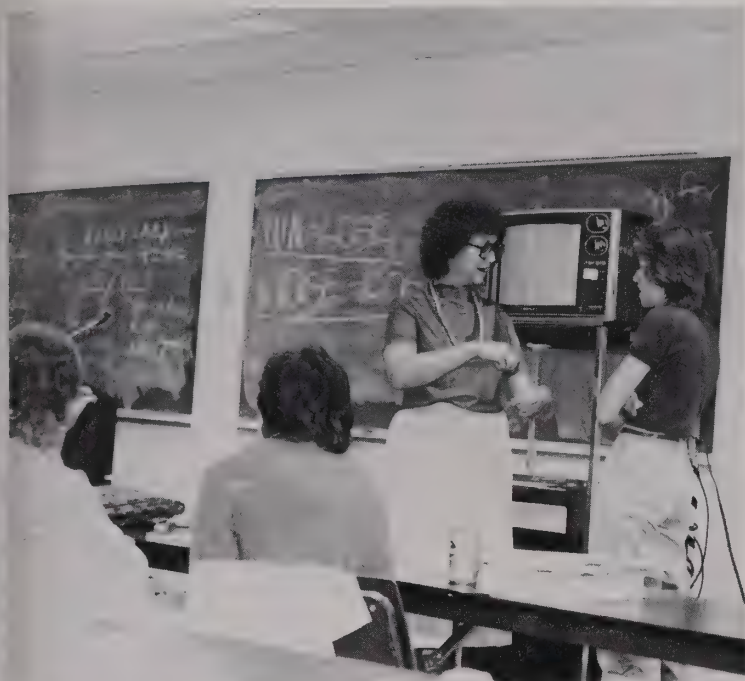

She has to her credit many Publications. One of her Most cherished is "The Keeper of the Keys", which was published in the **American Journal of Nursing**, July, 1965.

Among Dr. Jarratt's many unpublished oral presentations are "Why Do Nurses Eat Their Young" which she presented to the Arkansas State Nurses Association and Arkansas Student Nurses Association in October of 1982, and her speech on overcoming barriers between education and service, entitled "The Time Has Come, the Walrus Said To Talk of Many Things" which was presented at the Texas League for Nursing Convention in October of 1982.

Earlier this year Dr. Jarratt was one of only one hundred women nation wide chosen (the only nurse) to attend a White House luncheon with President Reagan to discuss economic concerns of the nation. The occasion was the American Business Womens Day.

These are just a few of the many credits and contributions of Dr. Jarratt's long dedicated career in the nursing profession.

A Day of Psych would bring anyone to their knees!

How to cope with MED-SURG? Bennigans!

Sheryl Bailey "appears" to be enjoying lecture while Ron Eslick is contemplating getting sick!

Annette Hall using an Ophthalmoscope at the wrong end!!

Kellie Jackson kicks back on "G"

Cindy Schafer- "That's Community!"

Miriam caught without her hat!!!

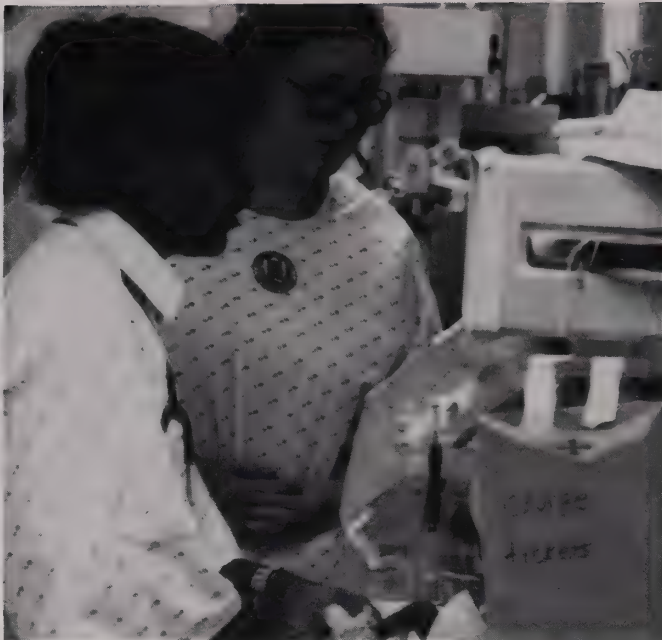

Karen McNeil and Cherie Archer demonstrating an extracurricular activity!!

Scott Cyrus and Annette Post seek the sun while on Break.

*"My Hand"*  
*"Should you need a hand to hold,  
 Mine is there with you,  
 Not that it will heal the hurt,  
 But it may help you through,  
 It's yours to tightly cling to,  
 And let you know I care . . .  
 So should you need a hand to hold,  
 Remember . . . mine is there."*

During an afternoon in Health Assessment Lab, Shannon and Cheryl take a break to review their notes.

Students from a wide variety of backgrounds met on May 1, 1983, to register as Juniors in the college of nursing. As the six week summer term progressed, many friendships were made and a spirit of cooperation developed.

# JUNIORS GAIN SUPPORT FROM

After a five week vacation which seemed much too short, SN3 began the fall semester in mid-August. At a back-to-school cook-out, senior significant other students (SOS) gave the juniors an opportunity to ask them questions about the curriculum. The schedule of classes included Concepts of Nursing Practice, Health Assessment, Professional Perspectives, and practicum. After practicing skills in the simulated laboratory, many students had their first experience with hands on nursing care in the clinical area.

Kristi concentrates on protecting her sterile field

Lynn Nalley

Any excuse for a party.

Mark and Liz celebrating — The night before a test?

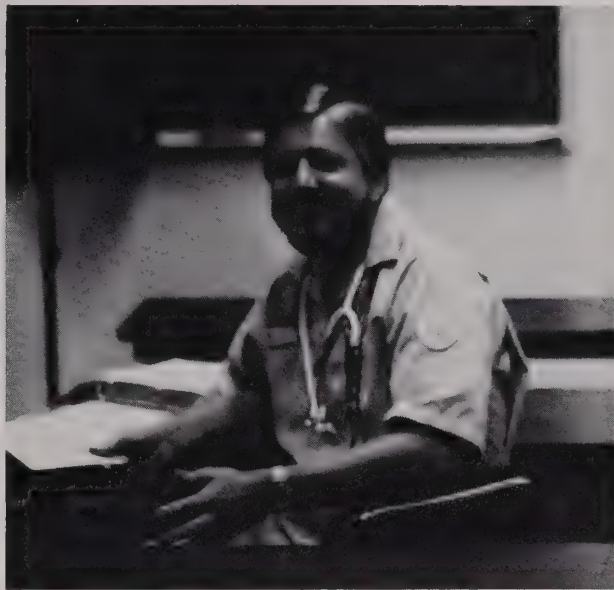

Ken contemplates which end is up!

# FOR NURSING STUDENTS

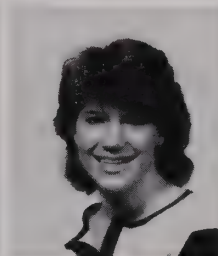

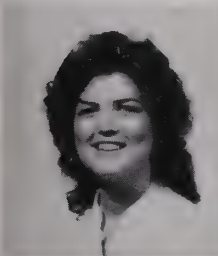

Tamara goes punk for the Loverboy concert.

"That was the punch line folks."

By midterm, everyone was very familiar with writing nursing care plans. These documentations included the data base, cue sheet, problem list, initial plans, and progress notes. The nursing process was discussed so frequently, it became second nature. Students and faculty welcomed the Thanksgiving holiday because it provided a break from the hectic schedule.

Bronwyn Nelson  
Maria Ohnemus  
Brenda Parker  
Shannon B. Pate

# JUNIORS SURVIVE FIRST SEMESTER

Saundra studies the material on an upcoming exam.

Happiness is relaxing on the weekends.

Stephanie models the latest fashions in nursing student attire.

Students react in a variety of ways at the S.O.S. party.

Finals approached quickly after the Thanksgiving break. Fortunately the class had a dead week to prepare for the exams. The week without classes was not only used for studying, however. Each student attended his/her final clinical evaluation session, and a Christmas dinner at Murray's Dinner Playhouse gave everyone the opportunity to enjoy one evening away from the books.

Dale Welch  
Laura Wheat  
Beth Williams

# SN3

Bernadette Brewer  
Nancy Franta  
Dixie Westerlund  
Donna Wolf

My documentation was this thick!

Mixed emotions on th first day of Spring classes.

Gayla stares at the board in bewilderment.

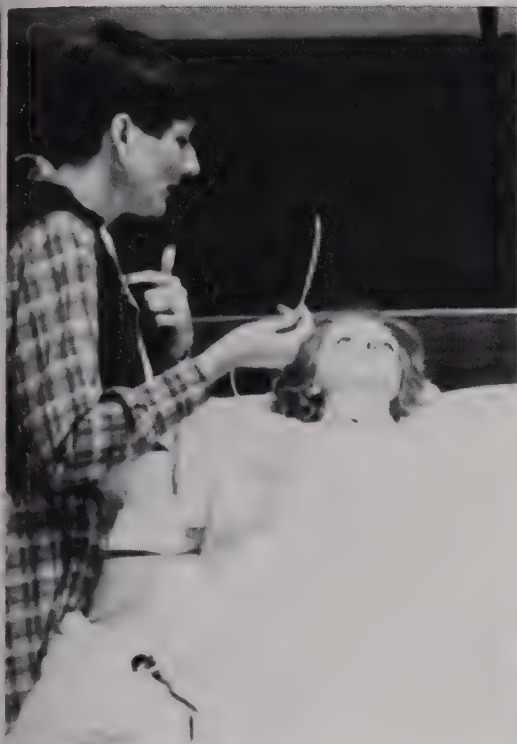

Don't let it touch me.

Wayne takes a quick peak at the test.

# SURVIVAL OF THE FITTEST

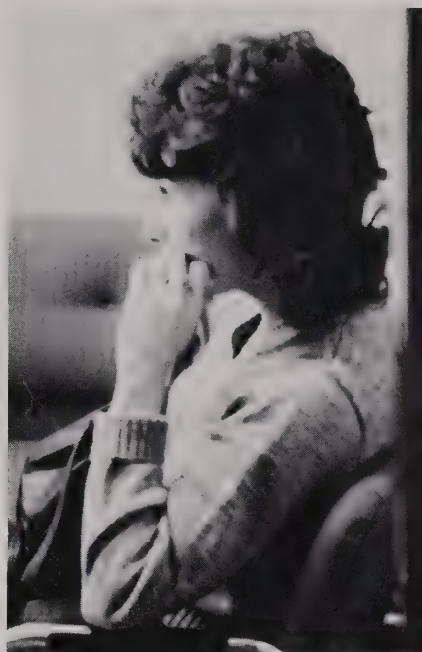

First, I would assess my patient.

Allison and Ken are elated that their checks arrived in time

Liz and Cathy glance at booklets at the SNA convention

Paula can't wait to be evaluated!

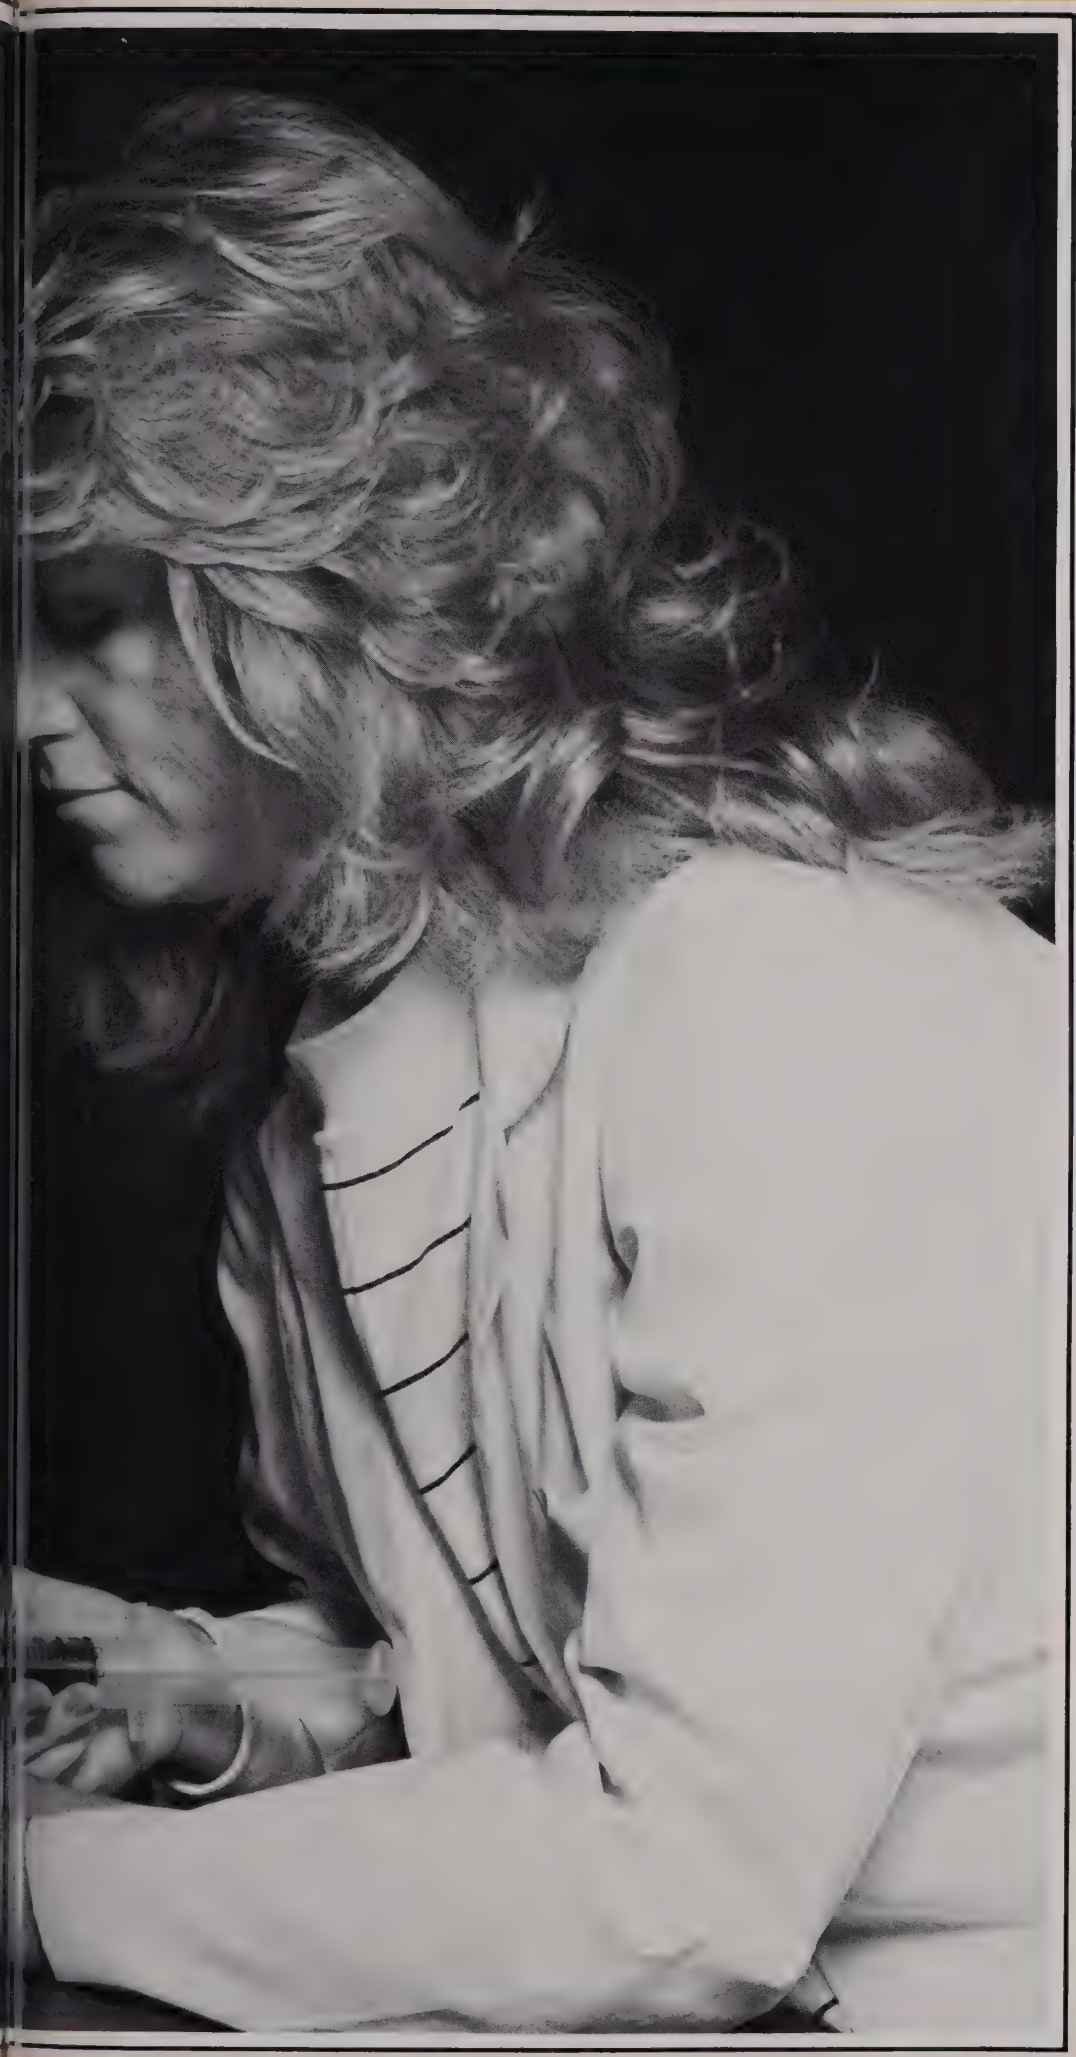

I can't believe I said that!

The spring semester of 1984 brought a welcomed change in classes. The entire class took Concepts II and Professional Perspectives III. In the specialty classes, the class separated into the four groups of Medical-Surgical nursing, Psychiatric nursing, Pediatric nursing, and Maternity nursing. After spring break early in March, everyone changed specialty courses and once again had to become acquainted with a new hospital environment. When warm weather arrived, everyone became eager for the school year to end. Finally, the last day arrived. The class dispersed following the last exam satisfied with the thought of completing their first year of nursing school.

# ASSOCIATED STUDENT GOVERNMENT

The Associated Student Government endeavors to accomplish two objectives: 1) Represent student concerns as a liaison with the faculty and administration and 2) Sponsor social activities for student enjoyment. This year the ASG has been involved in several projects including: 1) In April, ASG arranged a statewide meeting of student leaders to lobby the governor for improved funding for higher education 2) This past fall at ASG's urging, library hours were changed to be more accommodating to student need 3) A comprehensive review of the student health insurance policy was undertaken 4) ASC sponsored the first annual student blood drive to encourage student donors. 5) Monthly meetings with the chancellor and students were held to allow student concerns to be known. 6) Senator David Pryor spoke on campus in January at ASG's invitation. 7) The annual Halloween party and a new spring fling was held this year.

# MEDICAL COLLEGE COUNCIL

The function of the Medical School Student Council is to undertake projects and to promote activities that will directly benefit the medical school student body in part or whole. The Council is responsible for the annual Skit Dance, which each year attracts from 600-800 students and employees from the UAMS campus. It is also involved with organizing the student body in selection of the Preclinical and Clinical Golden Apple Awards, as well as the Resident of the Year. The Council also works in cooperation with other organizations to provide opportunities, equipment, and recreational activities that generally serve to improve the quality of life of all students at UAMS.

Seated (L to R); Santa, Ken Lane, (President), Dr. Ture Schoultz (Advisor) Standing (L to R): Kris Lewonowski, Sandra Eubanks, Andy Cooley, Barbara French, Greg Fuller, Sandra Bruce, Chuck Bower (Secretary-Treasurer).

## HONOR COUNCIL

The Honor Council consists of three students elected from each medical school class and from the graduate school. With the guidance of Dr. Ture Schoultz, it is this group's responsibility to oversee the application of the Medical College's honor code of ethical behavior. Suspected infractions of the honor code are presented to the Honor Council who then, along with the associated investigating committee, attempt to arrive at a resolution satisfactory to all concerned parties. The Honor Council is empowered to act as a trial board for suspected honor code infractions, and makes recommendations for disciplinary action to the dean of the Medical College.

Front Row (L to R): Cornelia Graves, Kelly Hersey, Smart Idemudia, David Howard. Back Row (L to R): Karen Canella (Co-president), Ruth Nelson (Co-president), Clay Randolph, Jackie Smith, Mike Calhoun, Bobby Taylor, Kim Agee, Charles Graham, Dr. Schoultz (Advisor)

## STUDENT NATIONAL MEDICAL ASSOCIATION

The Edith Irby Jones SNMA Chapter at UAMS focuses on facilitating communication of minority student affairs on a local and national level. Monthly meetings, annual representatives at the NMA National Convention, and an M-4 recognition banquet represent some of the ongoing events of SNMA. This year's assembly witnessed the installment of a student sponsorship program.

Future objectives will concentrate on a more active role in community events and minority student recruitment efforts. SNMA continues to be an integral segment of the minority student's educational experience. Next year's theme: "Expansion".

Left to right: Evette Baker, Vice President; Joe Sharlow, President; Sybil Dotson, Dennis Matheny, Shirley Wilson, Cephas Jones, Kenneth Lambert, Cornelia Graves, Jessie Cooper, Ray Jeffers, Warren Strickland, Sandra Bruce, Ray Howell, Carl Johnson, Johnny Woodson, Sec-Treas. (not all members are present)

# JUNIOR MEDICAL AUXILIARY

The Junior Medical Auxiliary (JMA) is a service organization composed of Medical students' spouses. Its purpose is to support and promote the UAMS campus and community. Monthly meetings are held, this year at Dr. E. Gay's clinic, with a variety of guests- JoAnn Cornell, Diane Smart- the AMA; Linda Allen-"The Graces"; Sharon Bale-"Time Management"; Tom Hicks-"Consumer Protection".

The JMA began the year with a booth at Freshman registration to advise and recruit married students. Then an ice cream social was planned to get wives and husbands together before school got started. The end of the year closes quickly with a "Spring Party" and planning then begins for the next year.

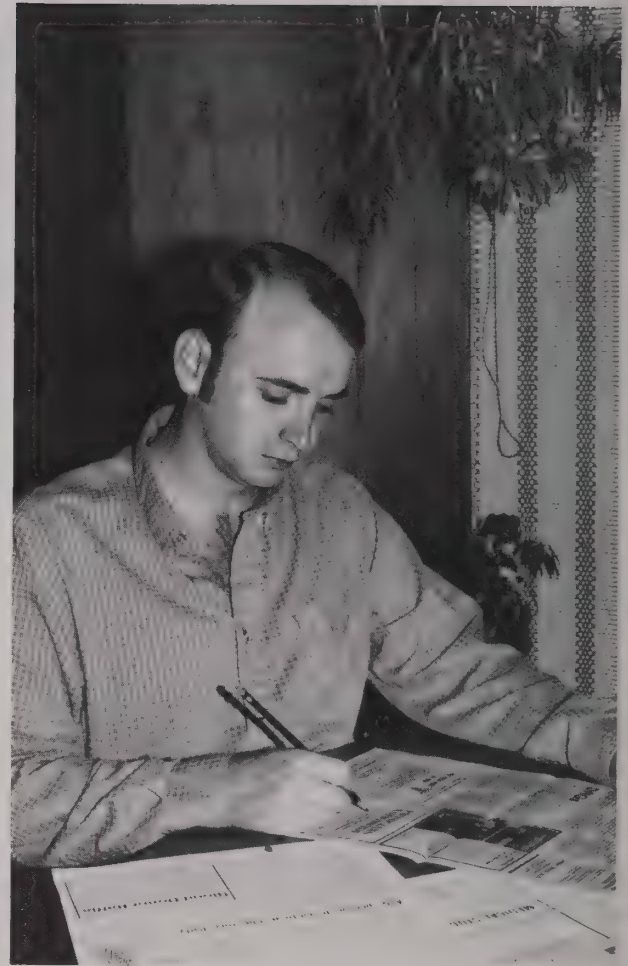

Officers: Nancy Robbins, President; Lucy Sarrett, 1st Vice President; Laura Harrison, 2nd Vice President; Rosemary Rogers, Secretary; Nancy Hicks, Treasurer; Jayna McKnight, Historian; Dana Cummins, Constitution; Denise Garner, Lisa Hagans, Social Chairman; Cynthia Blankenship, Jenny Harris, Membership; Veronica Sharlow, Cathy Counce, Stethescoop; Missy Harris, Service, Debbie Mason, Telephone Committee.

# MEDICO

The 1983-84 school year has been an exciting one for the University of Arkansas for Medical Sciences Campus and the Medico's headlines have reflected it. With million dollar endowments, plans for a new Cancer Center, visiting lecturers Scott Carpenter and Admiral Rickover, and the opening of the new V.A. Hospital, the staff of the Medico never lacked material for a great cover story. Inside the newspaper, of course, it was a different story. Editor Joe Robbins usually pulled news from all corners of the campus, with a little help on the side from feature writer Karen Walker. Pictures and copy came from many sources and the team pulled together to sell advertisements. The editor then put it all together and rushed it to the printer on the deadline date. Within a few days, stacks of newspapers appeared on campus and 5500 others were mailed to physicians throughout Arkansas and the nation. Nine issues of the Medico are dispersed every year, and the quality has increased markedly over the past few years. Joe is a senior Medical student graduating this year. Let's hope that his successor will continue to improve on his efforts.

Editor, Joe Robbins

Jodi Shull

Mrs. Suzanne Matthews, Advisor

Karen Walker

## STUDENT NURSING ASSOCIATION

The UAMS chapter of the Student Nurses Association focused on service projects this year. Members went to the Arkansas State Fair to take blood pressures at a booth sponsored by the Kidney Association. In November the club collected canned goods for Helping Hand, a charitable organization.

At the Arkansas State Nurses Association (ASNA) Convention in October, the following UAMS SNA members were elected to state offices; Terri Hunt, President; Lolita Hill, Second Vice-President; Mark Rowe, Recruitment/Breakthrough Director; and Jim Lendall, Legislative Director.

The UAMS SNA was headed by president Scott Cyrus. Other officers included Terri Hunt as vice-president, Elizabeth Store as secretary, Ann Woeltje as Treasurer, Maria Ohnemus as reporter, and Mark Rowe as the chapter's delegate to Convention. Pat Thompson and Anne Coleman were advisors for the club.

State Officers: Terri DeSio Hunt, Mark Rowe, Lolita Hill, Jim Lendall.

UAMS Officers: Ann Woeltje, Maria Ohnemus, Elizabeth Store, Mark Rowe, Terri DeSio Hunt. Not Pictured: Scott Cyrus.

## GRADUATE STUDENT ASSOCIATION

The Graduate Student Association is a communicative liason between the Graduate School administration and the graduate students. GSA also functions as a graduate student educational-social link by sponsoring luncheon-seminars and providing a forum for the graduate students representing a variety of campus wide committees and councils.

L to R: William Holcomb, Smart Idemudia, Jay Sprigg, Felix Adatsi, John Budroe, Cindy Kane, Marjorie Beggs, Brian Perlemutter, David Howard, Richard Williams, Jerry Ware, Ayad Mudarris.

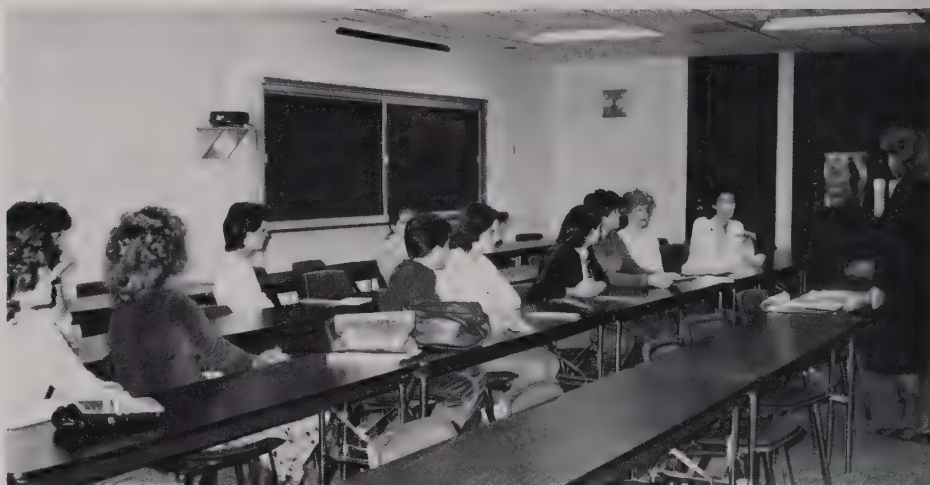

# KAPPA EPSILON

Kappa Epsilon, a professional pharmacy fraternity for women, was founded in 1921 at the State University of Iowa. KE fraternity is a member of the Professional Panhellenic Association and also a member of the International Pharmaceutical Student's Federation.

The UAMS chapter, Alpha Theta, was established in 1964. We have a present active membership of 21 girls, which includes one senior and twenty juniors. Our faculty advisor is Dr. Maude Babington, pictured at right.

KE has sponsored several work projects this year, including the donation of cans of food and a ham to a needy family at Thanksgiving, and drug screening and counseling at the Second Annual Pulaski Health Fair. In the spring KE held a raffle for "A Day at the Races", a T-shirt sale, and an Easter party for children's charity.

Each month we held a birthday dinner to celebrate with the members that had turned another year older that month, and also had seminars with guest speakers to discuss the different aspects of our profession.

Back Row: Lynne Watterson, Kim Harris, Vickie Ford, Kathy Darnell, Kim Lindsey, Jenny Rouw, Vickie Davis and Cathy Pierce, Chaplain. Middle Row: Laura Long, Lisa Kaucher, Becky Pratt, Kathy Rothrock, Christy Preston. Front Row: Sharon Rollins, Vice-President; Kelly Callan, President; Krystal Speak, Historian; Lonnie Lewis, Pledge Trainer; Tami Whitley, and Jacque Charles, Treasurer. Not Pictured: Anne Pless.

# KAPPA PSI

## THE MEN OF KAPPA PSI

Kappa Psi Pharmaceutical fraternity was founded in 1879 and was the first pharmacy organization to join the ranks of the professional fraternities. The Gamma Omega chapter was chartered at the University of Arkansas in 1955 and is currently the only all male fraternity on campus. The fraternity members believe such organizations as Kappa Psi have an important place in the pharmacy profession. During the year Kappa Psi sponsors a biannual drug exposition for the school and a drug audit throughout Little Rock as a money raising project. The social activities include a cowboy party, cookouts, and an alumni fish fry. The chapter consists of 25 active members. The officers for the 1983-84 year are: Mark McSweeny-President; Rick Moore-Vice-President; Mark DeClerk-Sec-Treasurer; Tom Mitchell-Historian; Mark Porter-Chaplain; Greg Logan-Sgt. at Arms; Dr. Richard Stull-Faculty Advisor.

Seated (L to R): J. Baltz, T. Rodgers, M. McSweeny, J. Rainer, S. Jones, S. Montgomery, P. Holifield, T. Mitchell, S. White, M. Shinaberry, M. Soo. Standing (L to R): T. Davis, M. Porter, M. DeClerk, G. Logan, P. Baker, R. Baker, R. Moore, D. Riddle.

# ALPHA OMEGA ALPHA

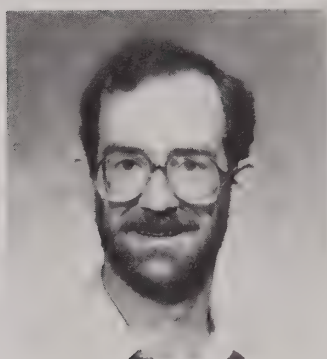

Alpha Omega Alpha is the only national honor medical society in the world. Its 'raison d'être' can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's Constitution, "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice and related fields.

To fulfill the role it has set for itself, Alpha Omega Alpha elects outstanding medical students, graduates, faculty, and honorary members to its ranks. Election to ΑΩΑ is a distinction that accompanies a physician throughout his or her career. Especially for the younger physician, the society provides a forum for the exchange of ideas, as well as a source for valuable contacts.

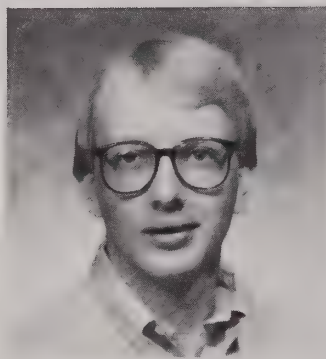

The society is designed after the Manubrium Sterni. The letters ΑΩΑ, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

*"Αξιος ὠφελεῖν τοὺς ἀλγοῦντας*  
*"Worthy to serve the suffering"*

# RHO CHI

Standing (L-R): Carey, McSweeny, Jenkins, Gann, Ferren, Nichols, Catlett. Seated (L-R): Thompson, Greenlee, Bruich.

Rho Chi is the Pharmacy HONOR Society with Beta Iota being the chapter at the University of Arkansas. This Fraternity seeks both to recognize and reward scholarly attainment and to thereby encourage and stimulate superior scholarship.

To be eligible for membership, the undergraduate student must display academic excellence, a capacity for achievement in the sciences, strength of character, personality, and leadership. Membership is extended to students in their fourth semester of professional study; the student must be in the top twenty percent of the class and must have achieved a grade point of 3.00 or better. New initiates are then welcomed at a spring banquet.

Senior Members for 1983-84 are:

Amanda Nichols- President  
Donna Catlett- Vice President  
Becky Bruich- Secretary-  
Treasurer

Karen Ferren- Historian

Lisa Carey  
Susie Cobb  
George Gann  
Stella Greenlee  
Tonya Jenkins  
Mark McSweeny  
Mikki Thompson

Dr. Ron Kluza is the faculty advisor.

Projects for the year include organizing participation in the "Channel 4 CPR Day", a drug information discussion with senior citizens, and organizing pharmacy book sales.

CHARTERED  
APRIL 14, 1978

## Gamma Xi Chapter University of Arkansas

### **purposes**

**ΣΘΤ**

1. Recognize superior achievement.
2. Recognize the development of leadership qualities.
3. Foster high professional standards.
4. Encourage creative work.
5. Strengthen commitment to the ideals and purposes of the profession.

# SIGMA THETA TAU

Sigma Theta Tau is the national honor society of nursing. It has just celebrated its 60th anniversary.

The UAMS chapter- Gamma XI- petitioned and was accepted in 1978. It was the first Arkansas Chapter. Candidates for membership must demonstrate superior scholastic achievement, evidence of professional leadership potential and/or marked achievement in the field of nursing. If nominated candidates meet the eligibility criteria, they are then voted on by the regular membership.

Gamma Xi has inducted over 300 members from a diversity of areas. These nurses represent the leaders in nursing as clinicians, educators, and researchers.

Gamma Xi annually presents awards to outstanding nurses and leaders in health care. The UAMS chapter also presents research grants to qualified nursing investigators.

The members are active locally, nationally and internationally in a wide variety of roles that foster professional nursing with strong commitments to increase the scientific base of nursing practice and improve the health of the public.

Front Row (L-R): Connie Sundermann, Sr. Counselor; Linda Rickel, President; Charla Underwood, Treasurer. Back Row (L-R): Ann Harris, Secretary; Lois Malkemes, President Elect.

# INTRAMURALS

The Intramural Sports program offers the most widely participated extracurricular activity at UAMS. The football, basketball, tennis and soccer events involve over 300 participants and numerous spectators. It provides the opportunity for medical, nursing, pharmacy, housestaff and the law students to interact in an atmosphere of physical education; while also providing an enjoyable activity outside the classroom.

The housestaff, backed by experience, overcame a younger, more physical M-2 team to capture the 1983 Football Championship. Although both teams were superior during regular league play, the housestaff finally prevailed 20-6.

The 1983 Tennis Tournament, interrupted midway by bad weather and busy schedules, was again successful this year. Luke Crawford (M-2) defeated Tom Roberts (Orthopedics) to sweep the Men's Singles Crown, while Anne Harris easily overcame a small Women's Singles field with a final victory over Mary Maconchy. Joe Murphy (M-3) and Thad Beck (M-3) rebounded from last year's second place finish to capture the Men's Doubles event.

The men's and women's soccer teams participate in the Central Arkansas Soccer Association. Although the women's team had a rather disappointing fall season, the men's team had their best season since originating three years ago.

The victorious Housestaff football squad.
